Re: *Parallel Iron, LLC Patent Litigation – Proposed Protective Order*

Dear Judge Andrews:

I write on behalf of the parties in the above referenced actions to enclose a form of protective order for Your Honor's review and approval. The parties have one dispute in Paragraph 21 concerning the scope of the prosecution bar and have set forth their competing proposals in bold in that paragraph. Counsel will contact chambers on Monday to schedule a discovery dispute conference pursuant to the Court's procedures. Should Your Honor have any questions or require any additional information, counsel is available at the convenience of the Court.

Respectfully submitted,

/s/ Stephen B. Brauerman
